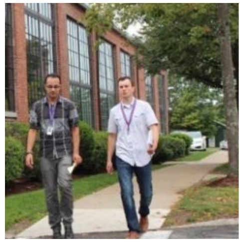
Agile, asset-light, high margin business model

RESIDENTIAL BUS SERVICE
Passengers are picked up close to residence and are driven to work.

INTRA-/INTER-CAMPUS SERVICE
Passengers are transported around a large campus and to and from remote campus locations.

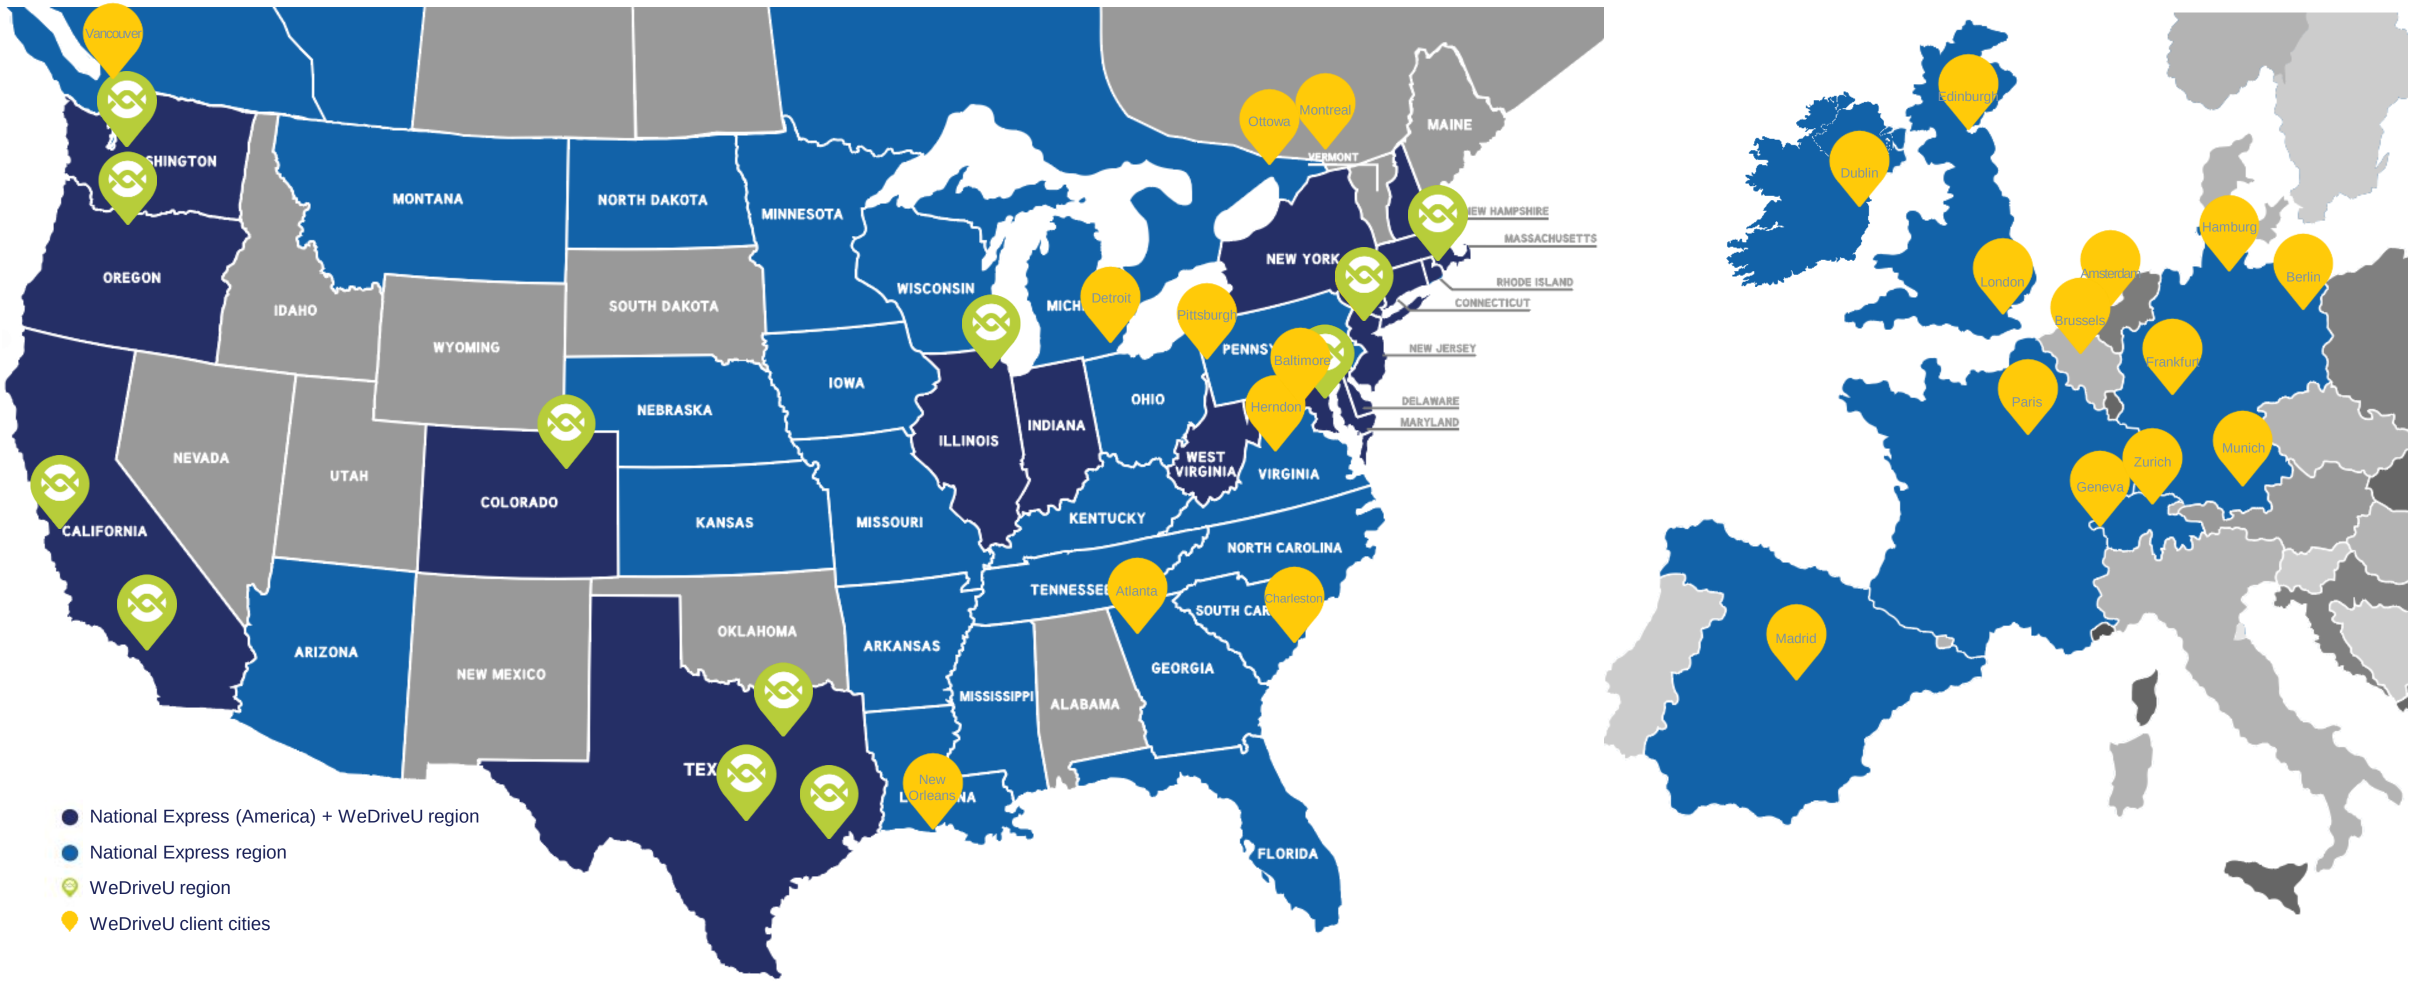


LAST MILE
Passengers are picked up from mass transit or are shuttled to work from remote parking.

ON DEMAND
Private app-based service for employees within geo-fenced locations.

- Typical corporate shuttle contract 3-5 years
  - Ability to extend term
  - To date, 100% contract retention
- Two contract types
  - Driver Only – WeDriveU provides driver and management, customer provides the vehicle and maintenance
  - Full Service – WeDriveU provides driver, management, vehicle and maintenance
- Lease vehicles once revenue is contracted and align vehicle lease term with contract term
- Reimbursed for vehicle operating costs (no fuel hedging)
- Target gross margins of 15-20%
- Business model is highly predictable, capital efficient and well positioned for the next phase of growth

Synergies on adapting WeDriveU model to National Express footprint



Potential for significant revenue growth over next 5 years

$5.2B U.S. market
