# Investor presentation Spring/Summer 2018

Includes Full Year financial results to 31 December 2017

# Cautionary statement

---

This Review is intended to focus on matters which are relevant to the interests of shareholders in the Company. The purpose of the Review is to assist shareholders in assessing the strategies adopted and performance delivered by the Company and the potential for those strategies to succeed. It should not be relied upon by any other party or for any other purpose.

Forward looking statements are made in good faith, based on a number of assumptions concerning future events and information available to Directors at the time of their approval of this report. These forward looking statements should be treated with caution due to the inherent uncertainties underlying any such forward looking information. The user of these accounts should not rely unduly on these forward looking statements, which are not a guarantee of performance and which are subject to a number of uncertainties and other facts, many of which are outside of the Company's control and could cause actual events to differ materially from those in these statements. No guarantee can be given of future results, levels of activity, performance or achievements

*Normalised operating profit, margin and EPS data, as referenced in this report, can be found on the face of the Group Income Statement in the first column. Normalised profit is defined as being statutory profit before intangible amortisation for acquired businesses, profit for the year from discontinued operations and consequent UK restructuring and tax relief thereon. The Board believes that this gives a more comparable year-on-year indication of the operating performance of the Group and allows the users of the financial statements to understand management's key performance measures.*

*Unless otherwise noted, all references to profit measures throughout this review are for continuing operations for both the current and prior reporting period. Further details of discontinued operations can be found in note 6 to the financial statements.*

*Underlying revenue compares the current year with the prior year on a consistent basis, after adjusting for the impact of currency.*

*Constant currency basis compares current year's results with the prior year's results translated at the current year's exchange rates. The Board believes that this gives a better comparison of the underlying performance of the Group.*

*Full year dividend comprises interim dividend of 4.26 pence per share and proposed final dividend of 9.25 pence per share.*

## Record year with robust organic growth boosted by acquisitions

### Delivering operational excellence

- Good bid season for 2017/18 - strong contract retention of 96%
- Average price increase of over 2% across portfolio 3% on our contracts up for bid & renewal
- Acquisitions delivering higher returns
- Strong growth in Transit – annualised revenue of c.\$300m, up nearly 60% in the year
- Annualised cost savings of \$10m

### Creating new business opportunities

- 3 acquisitions in 2017: 1 para-transit & 2 school bus
- Opportunities to grow charter
- Strong pipeline

### Risk

- Driver wage pressure of 5%

### Generating superior cash & returns

	2017	2016
Revenue	\$1,311.1m	\$1,191.3m
Op profit	\$121.6m	\$114.1m
Margin	9.3%	9.6%

**Revenue:** +10.1% in constant currency, with strong organic growth together with bolt-on acquisitions

**Profit:** +6.6% – higher returns from acquisitions & organic growth more than offsetting increased cost pressures from driver wages

### Delivering operational excellence

- o 6m more passengers this year
- o Particularly strong performance in Spanish long-haul, up 3.9%
- o RMS driving revenue, volume & yield
- o Strong growth in ancillary revenues
- o Improving outlook for concession renewals with greater emphasis on quality, a key differentiator for ALSA
- o Awarded five-star EFQM – first mobility company in Spain to achieve this

### Creating new business opportunities

- o 6 acquisitions:
  - o 3 in Spain
  - o 3 in Switzerland
- o Bid for Rabat urban bus

### Risk

- o Further competition from rail
- o Intercity concession renewal – small impact expected in 2019

### Generating superior cash & returns

	2017	2016
Revenue	€757.4m	€731.2m
Op profit	€108.3m	€103.7m
Margin	14.3%	14.2%

**Revenue:** +3.6% - good growth in Spain benefitting from RMS & acquisitions

**Profit:** +4.4% - Margin up 10bps driven by pricing & cost initiatives

## Management actions driving positive second half trajectory

### Delivering operational excellence

- Robust performance with revenue growth accelerating in H2
- Management actions delivering:
  - Passenger & revenue growth through RMS & launch of LFZs
  - Network efficiencies & targeted annualised savings of £10m
- Technology driving growth – contactless payment, mobile ticketing, new apps & websites driving higher conversion
- Bus joins Coach with award of five-star EFQM status

### Creating new business opportunities

- Added 20+ new commercial partners including Cardlytics, Visa & Amazon Pay
- New airport routes & express services

### Risk

- Advanced fare discounting in rail
- Concession income

### Generating superior cash & returns

	2017	2016
Revenue	£561.5m	£557.9m
Op profit	£70.9m	£67.3m
Margin	12.6%	12.1%

**Revenue:** Revenue up 0.6%, up 1.1% in H2 in response to management actions

**Profit:** Profit up 5.3%, reflecting UK restructuring & management actions including network optimisation, overhead savings & cost efficiencies, together with lower fuel costs

# German Rail

## Delivering first profit

### Delivering operational excellence

- Strong growth in revenue, up 20.4%, reflecting full revenue recognition with catch up from 2016, including latest passenger count data
- Post settlement, RME is a profitable contract
- RRX mobilisation underway – new trains currently being tested & driver recruitment underway
- Expect margins to return to industry norms & profit in 2018 of c. €1-2m

### Creating new business opportunities

- Pipeline of German rail opportunities
- Looking to submit further bids over next 12 months
- Looking at other international rail opportunities

### Risk

- Failure to win bids in Germany
- Mobilisation on new contracts

### Generating superior cash & returns

	2017	2016
Revenue	€90.3m	€75.0m
Op profit	€5.9m	€(1.8)m
Margin	6.5%	N/A

**Revenue:** Up 20.4% with the strong performance reflecting an element of catch up from the clarification of the revenue sharing position

**Profit:** Strong profit performance recorded, boosted by revenue sharing clarification and catch up from 2016

Strategic review 2017

# Our strategy is working: a differentiated business

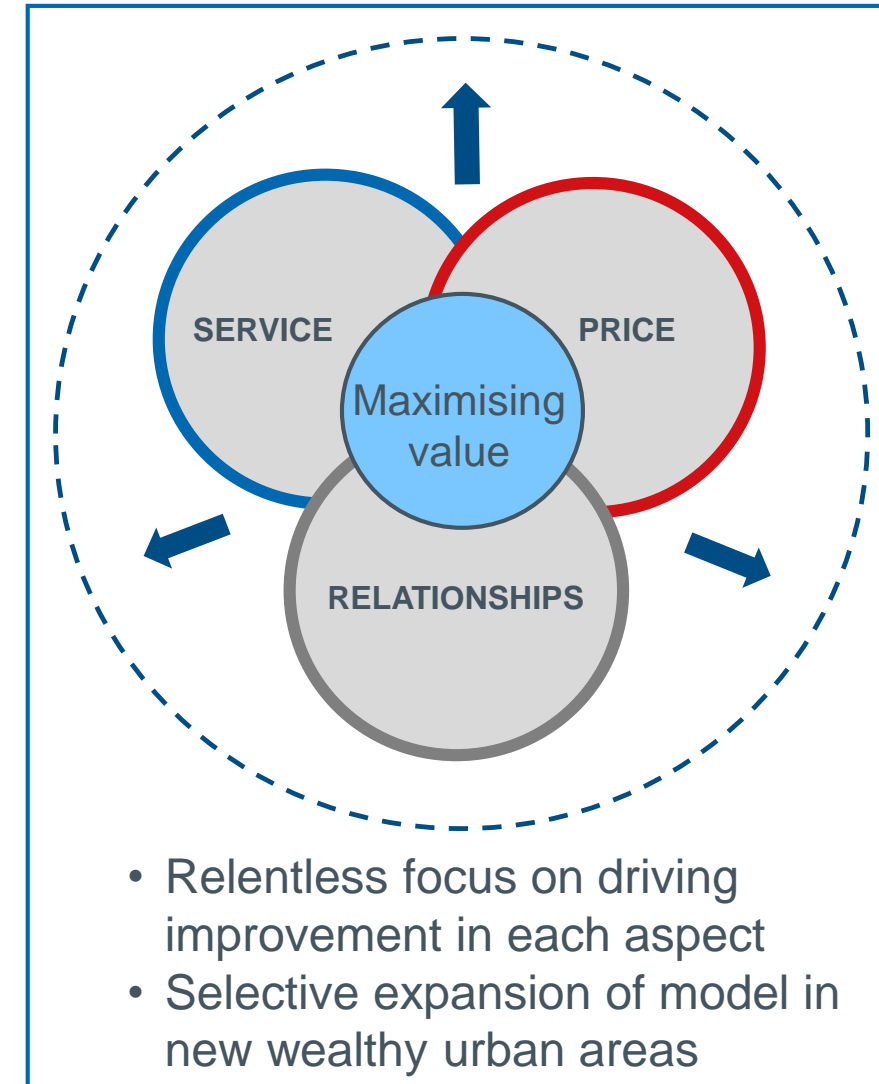

## Introduction

1. Management action in 2017 delivered across an internationally diverse portfolio:
  - o Strong growth in the US
  - o Strong organic growth in Spain
  - o Return to growth in the UK
2. Benefits of investment in technology, innovation & safety reflected in improved operating performance & revenue growth
3. We continue to grow in 2018 as a result of our diversification

## Repositioning the business for growth

- Significant repositioning of our operations over the last 5 years
- Exited high risk UK rail
- Focus on growing urban markets around the world
  - E.g. in 2017 we grew in London, New York, Chicago, Madrid & Geneva
- New leg growing strongly in North American Transit
- Aim for market leadership in price, service & customer relationships to drive revenue & returns

# North America

## Strong growth

### Key highlights

- Transit business grew by 60% to around \$300m annualised
- Three acquisitions including Chicago & New York
- 5% driver wage inflation hurt margins but beginning to recover through bid season:
  - 2018 started well
- Technology helping us to transform our business:
  - 750 bus units deployed for growth
  - Lytx DriveCam helping us to significantly improve risk management
- Charter opportunity: Trinity 11% of revenues & Durham 4% of revenues
- \$10m of cost savings through headcount reduction in year

# ALSA

## Strong underlying growth in Spain

### Key highlights

- Excellent performance – strong economy & self-help
- Overall passenger growth of 2.1%; 3.9% revenue growth in Long Haul
- RMS helped drive growth & yield:
  - Seat utilisation improved by 2%
  - Revenue per mile up 2.4%
- Positive inflation impact on regulated fares in 2018 vs negative in 2017
- Madrid-Guadalajara - successful renewal, quality not price
- No profit impact from concession renewals in 2018; minimal in 2019; methodology changed to emphasise quality
- Targeted acquisitions in Geneva & Madrid opening strong new markets
- Bid submitted for 400 bus contract in Rabat

### Organic revenue growth in Spain

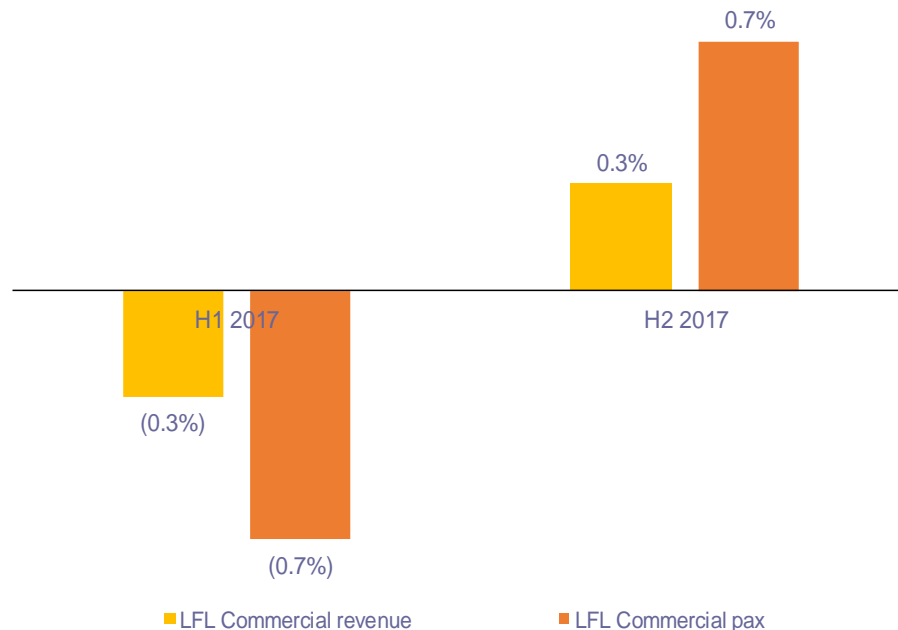

# UK

## Bus: return to growth in H2; positive trajectory into 2018

### LFL commercial revenue & passenger growth in West Mids

Leading to 1.6% revenue per mile growth

### Key highlights

- 6 LFZs introduced in 2017, covering 28% of commercial network:
  - In LFZs passengers up 4%; revenue up 1.5%
- Contactless & m-ticketing rolling out fast:
  - 52% of m-ticket purchasers say it makes them more likely to travel
- Working closely with mayor to tackle congestion
  - Where journey times were cut by 3%, passengers up 1%
- TfWM – 2022 Commonwealth Games

# UK

## Coach: recovered from terrorism to grow revenue, passengers & profit

### Coach core quarterly revenue growth

\* Q1 & Q2 normalised for Easter

Leading to 5.5% revenue per mile growth & overall core passenger growth of 0.9%

### Key highlights

- Passenger growth driven through a combination of fare reductions & new services
- RMS helped drive a 2% improvement in seat utilisation
- Further network optimisation & fares management to drive revenue per mile growth
- Amazon contract won & new partnerships signed
- Property sale generated £2.5m
- UK consolidation savings of £10m

# German Rail

## A year of delivery

### Key highlights

- Growth in revenue & profit boosted by clarification of revenue position (& recognised in 2017)
- Contract profitable from first year
- Expect margins to return to industry norms with profit in 2018 expected c.2%
- Passenger growth of 0.5% in 2017 even after significant track maintenance disruption
- Progressing with mobilisation of RRX
- Looking to submit further bids in 2018

## Delivering our strategy

- Benefits of internationally diverse portfolio together with decisive management actions
  - Strong profit growth, PBT up 19%, EPS up 11%
  - Cash generation is strong: expect 2018 to be broadly the same as 2017
  - Dividend up 10%
- De-risked for UK rail
- Outlook for Spanish concession renewals plays to our strengths
- UK growth is accelerating
- North America – positive start to the new school bid season
- Good acquisition pipeline
- £20m fuel tailwind; \$10m of US cost efficiencies benefit
- As January 2018 has shown, we are positive on the future outlook
